RWood is designed to create outdoor spaces where people love to spend time.

RW TERRACE DECKING

## Premium Decks

POOL DECKS, "LOOK AND FEEL"

### Environmental Friendly

We make decking that has the look and feel of traditional wood, with the added strength and durability of a composite material made with coffee bean husks and recycled plastic.

**Applications:** Balconies and Roof Terraces, residence and gardens, open public and recreation areas, boardwalks, etc.

### Features

- **Easy to install**
- **Dimensions:** 5.51" x 96.06" x 0.98"
- **Weight:** 1.67 Lbs/LF
- **Impact** resistance: 230Km/cm
- **Decking** color variety

Our products are mainly made with coffee bean husk and recycled plastics. So far we've saved more than 13,000 trees.

Our products have great characteristics like dimensional stability (crack free -40° to +140° F), material safety, high-strength, outstanding appearance & feel, and longevity among others...

## Rw Siding

Easy to install and never needs painting, staining, or refinishing, so long-term costs of ownership are significantly lower, too.

**Applications:** Soffit, fascia, walls, etc.

**Dimensions:** 5.52" x 96.06" x 0.98"

**Weight:** 2.15 psf

**Siding** color variety
